Message from the School Office

School photos will be taking place on Tuesday 5th November. These will be individual photos only.

Mr Mason Says...

Thank you to all of the children who came into school dressed in something yellow on Thursday 10th October in order to raise awareness of World Mental Health Day. At Rosslyn Park we believe it is important to support pupil's social and emotional skills as well their academic education. We provide a lot of support for pupils from Place 2 Be, Emotional Literacy Support Assistants and Health Mentors. If you would like any further information about the support we provide please do not hesitate to ask.

Foundation Update

What a wonderful half term in the EYFS. The children have settled into their new routines beautifully and it has been wonderful to see new friendships and interests developing. Our first stay and plays were a huge success, so please make a note of the next one, which will be Christmas Crafts! Wednesday 4th December (9-10 and 2-3) for F1 and Thursday 5th December (9-10) for F2.

Year 1 & 2 Update

In Year 1 your child might have come home and told you about all the exciting activities in and outside their classrooms. They have been very lucky to experience lots of different activities all about their topic 'All about me'. In Year 2 we have been amazed at how positively the children have responded to their new work. There is a real buzz about challenging themselves and being the best learners they can be.

Year 3 & 4 Update

Well done to 3SB for taking part in the Transform fun run at Harvey Hadden. The children all achieved bronze, silver and gold wristbands.

Year 4 have done some fantastic English work around Charlie and the Chocolate factory. They have had a special chocolate workshop where they made their own chocolates, and learned all about its history.

Attendance Update

Attendance is of paramount importance at Rosslyn Park, we expect children to attend every day and in any case at least 95% of the time. Please inform school of any absence on a daily basis.

Our latest incentive will be attendance badges each term for 100% attendance. Bronze, Silver and Gold are available.

Year 5 & 6 Update

Year 5/6 have had a smashing start to the school year and are already working really hard. Year 5 loved their visit to the Space Centre and really enjoyed reading 'Cosmic'. They can't wait to do their Eggstronaut experiment to save the egg from cracking upon landing on earth. Year 6 have loved reading 'Skellig'. The highlight of the term so far has been the visit from Birdman who brought in 3 different Owls for us to learn about.
