Thursday 21st January

Inset Day Covid 19- Staff Testing

Dear Parents/Carers

Thank you to those of you who completed the remote learning survey. The information provided is proving incredibly useful in helping us shape our remote learning offer. It was really good to see that the vast majority of you feel the approach we are taking is helpful and supporting both the children and yourselves.

INSET Day

Please be aware that the school will be **closed** to all children, including children of key workers and vulnerable children, on Wednesday 27th January for an Inset Day. This means that staff will be involved in training all day and therefore will not be offering remote learning on that day. Please be assured that all staff training will be carried out remotely and not face to face. School will reopen on Thursday 28th January and remote learning will also resume.

COVID – 19 – Staff Testing

The government have informed us that from next week staff in primary schools will be tested twice a week for COVID – 19. Currently the tests are for staff only and we will **NOT** be testing children. The government hopes that through regularly testing of primary school staff asymptomatic cases can be identified and they can break the chain of transmission, reducing the number of infections.

Thank you again for all of your continued support throughout this Lockdown.

Yours Sincerely

Scott Mason
Head Teacher
