Wednesday 24th February

All Pupils Return to School – Monday 8th March

Dear Parents/Carers

Following the announcement yesterday we are pleased to be able to welcome **all** children back to school from **Monday 8th March**. We know how hard parents have been working to support children at home and I am sure the vast majority of you will be delighted that your children are returning to school. I know some of you may still have some concerns however I am hoping that we will be able to alleviate those and have your children in school.

When children return to school all of the safety factors that we had in place before lock down remain, with some additional measures also now in place. Staff continue to test themselves twice per week and continued to do this over half-term. This will remain in place when **all** pupils return on the 8th March and I expect it to be something staff will do for the foreseeable future. We will also continue with our staggered starts and ends to the day but will now be asking that all adults on the school premises wear a mask when collecting and dropping their child off. This is to mitigate against the spread of the COVID variant. It is also my hope that those of you who are vulnerable will now have received, or be due to receive, at least the first dose of the vaccine.

With these increased measures in place, lower reported cases and increased immunisation I hope we can get **all** of your children into school. Attendance of pupils will be mandatory from Monday 8th March and we will be robustly following up all non-attendance. Your children deserve, and need, to be in school and I hope we can work together to achieve this. I will email further updates next week as we prepare for pupil's return.

Yours Sincerely

Scott Mason
Head Teacher
