Covid Safeguards from Monday 8th March

Dear Parents/Carers

Planning is well underway as we prepare to get ready to have **all** pupils back with us from Monday 8th March. With this in mind I have attached the COVID-19 Safeguards for Children and Parents for your information. The measures we have in place are very similar to those that were in place prior to the school closure. However, it worth noting that two additional factors are now in place:

- Staff are testing themselves twice a week for COVID-19 using Lateral Flow Devices
- Parents/carers should wear a mask when dropping off and collecting children.

Additionally, the government announced over the weekend that parents and carers of school age children can now also test themselves twice a week using Lateral Flow Devices. These will available to collect from local collection points and will be available shortly. If you are unable to collect test kits in person they can be order online using the following link:

<https://www.gov.uk/order-coronavirus-rapid-lateral-flow-tests>

Please be aware that should you develop any COVID-19 symptoms you should still isolate and book a PCR test.

We are all very excited about having the children back in school. We still have just under half of the academic year left and want to make the rest of the year as exciting and enjoyable as possible. We look forward to seeing you all on Monday 8th March.

Yours Sincerely

Scott Mason
Head Teacher
