Easter Opening – Critical Workers

Dear Parents/Carers

Firstly can I say a huge thank you to you for the essential work that you are doing as Critical Workers. I am sure all of you will have faced some incredibly difficult and challenging circumstances over the last week or two and will likely have to continue to face them in the coming weeks. I would like you to know that my staff, and I am sure our whole community, are incredibly grateful for the work that you are doing.

With that in mind my staff have volunteered to continue to work over the Easter Break, including Good Friday and Easter Monday in order to provide childcare. However, before we organise staffing it would be helpful to know if you will need this service. I understand that some of you may be able to take annual leave or a family member may be available to look after the children. If this is the case please do not send the children to school and follow the government advice about social distancing.

Therefore could you please complete the short form overleaf indicating whether you need childcare over Easter and, if so, which days this will be required. If you have any questions please do not hesitate to ask.

Thank you

Mr S. Mason
