Friday 3<sup>rd</sup> April

Dear Parent/Carer,

I hope you are all well, staying home and staying safe. Unfortunately school remains closed until further notice to all pupils apart from children of critical workers and a number of vulnerable children.

I hope the majority of children have been able to access the online work that has been provided for them through Class Dojo and Purple Mash. We know that this is not a perfect solution however until we can all get back to school it is our best option for remote learning. We are aware that children working from home is completely different to the time they spend at school. The work that is set should be taking up no more than a couple of hours a day and should hopefully be keeping children stimulated rather than adding to daily stress. Please feedback to your child's class teacher about the tasks that are set, through Class Dojo, and they will do their best to support you.

It has been lovely to see some of you who have been collecting hot meals each day and those that have collected weekly hampers. Thank you for adhering to social distancing guidelines whilst doing so. Unfortunately, we will not be able to provide these over the Easter holidays, however this will resume after Easter. If you would like to continue with the hamper please make sure that your hamper is ordered through the School Gateway app in time for the 20<sup>th</sup> April.

In the meantime please take care and look after yourselves and loved ones by following Government guidelines during this difficult period.

Thank you

Mr S. Mason  
Head Teacher
