### Parents/Carers of Children in Year 1 and Reception

Dear Parent/Carer,

We opened our doors and warmly welcomed Year 6 children back to school this week. It was a delight to see them and although they have found school to be a very different place to the one they left they have overwhelmingly told me how pleased they are to be back.

As you will be aware from earlier letters our next phase of opening will involve allowing Year 1 pupils and then, hopefully, Reception pupils back to school. Our original plan indicated that we hoped that Year 1 pupils would return to school on Monday 15<sup>th</sup> June however this will now take place on **Monday 22<sup>nd</sup> June**. There are several reasons for this including the feedback we have received from the Year 6 pupils and teachers. The measures that we have put in place to mitigate against the risks of COVID-19 appear to work effectively and pupils have found them easy to follow. However, we are now aware from feedback that we need to make further modifications in order to support younger pupils and an increase in the number of people entering and exiting the site. We sent out an online form this week for Year 1 parents to complete, if you would like your child to attend from Monday 22<sup>nd</sup> June you **MUST** indicate so on the online form provided.

We apologise for this delay and any further inconveniences this may cause however we are determined to do everything can to ensure the safety of pupils, parents and staff – this must remain our priority. For the parents of children in Reception this will cause further delay to the return of pupils to Reception classes. We had set out a provisional date of the 22<sup>nd</sup> June for the return of Reception pupils however this, unfortunately, will not be the case. Once Year 1 pupils have returned to school we will look to gain feedback from pupils, parents and staff and again make any modifications required which support the safety of some of our youngest pupils.

If you have question or queries regarding this or any other matter please do not hesitate to get in touch.

Thank you

Mr S. Mason
