Wednesday 9th December

Dear Parents/Carers

You may have seen in the media that the Department for Education yesterday announced that schools could have Friday 18th December as an Inset Day. However, this is not an extra Inset Day and we would have to lose one of the days we have booked later in the year.

Having considered this we will continue as we had originally planned with Friday 18th December as the last day of term.

We believe that to change our plans at this late stage would cause significant disruption for parents and children. On Friday 18th December the children will be able to attend school in party clothes and have a class party. The school kitchen will be providing all of the party food and we did not want to disrupt this for the children.

We know how disruptive this year has been for all our whole school community and feel that any changes to the school term would only cause further disruption.

If you would like to discuss this or any other matter please do not hesitate to contact me.

Thank you

Mr S. Mason
Head Teacher
