Monday 11<sup>th</sup> January

### School Closure Update

Dear Parents and Carers,

Thank you to all of you who have been doing such a wonderful job supporting your children's learning at home. It is not something anyone wanted to have to ask you to again, but this time we are more prepared to support you and the children.

#### **Remote Learning**

Staff were out delivering learning packs last week and these have now all been delivered. If you have not received your child's learning pack please contact us. Packs have been delivered to the address that is registered at school for your child. In order to ensure that remote learning is successful we intend to work in partnership with you and your child. This will mean regularly contacting you via class dojo, phone calls and zoom sessions.

It is really important that the children engage in their learning and if you are having any difficulties please discuss this with your child's class teacher. If a class teacher has not been able to contact you please be aware that myself and other members of the SLT will carry out home visits in order to check that all is well and to see if we can do anything to support you.

### Food Hampers

Food hampers can be ordered and collected through the School Gateway app for those families eligible for free school meals. I know that during the previous lockdown we were asked about issuing meal vouchers rather than hampers. Please be aware that we are unable to do this. Aspens, our catering supplier, are able to support us through the preparation and distribution of food hampers, therefore the school is ineligible to apply for vouchers. We believe that the quality and quantity of food supplied is of a good standard. However, if you have any concerns, please contact us directly and we liaise with Aspens to make any improvements possible.

We are also aware that some families may be facing difficulties but are not eligible for free school meals. If this is the case please contact us and we will do all that we can to help. We have a number of avenues that we can use to support families when needed.

We know that this is a difficult and challenging time for all of you but please be aware that we are here to help and support you and your children. If you need to contact us about any matter please feel free to do so.

Yours Sincerely

Scott Mason  
Head Teacher
