### School Update

Dear Parents/Carers

Thank you to all the parents and cares for your support in getting children back into school. Attendance started really positively however has started to dip over the last few days. I have attached an outline of our attendance expectations and hope this helps you understand the importance of good attendance in school.

We are working hard in school to mitigate against the risk of Covid cases spreading in school and appreciate your ongoing support. With this in mind I would like to draw your attention to the following things:

- Please stay 2m away from the classroom door and follow the social distancing signs in place on the school playground.
- Please collect children in order of the staggered start timetable. This will allow you to leave the school premises as soon as you have collected all your children.
- Please keep children with you at all times. We are working hard at not allowing bubbles to mix in school and would appreciate if you kept children with you once they have been collected.
- Do not congregate with other parents on the school playground. Although the staggered starts and ends to the day help with the number of people on the school playground it can still be very busy.
- If you are able, please wear a mask on the school premises. I am aware that some parents are exempt due to health reasons however if this does not apply to you your cooperation would be appreciated.

Thank you in advance for your ongoing support.

Yours Sincerely

Scott Mason  
Head Teacher
